

Health Box Set: 25 Amazing Atkins Diet Recipes. Learn How to Fight Diabetes. How to Use the 15 Natural Herbal Antibiotics. 28 Essential Oil Recipes (diabetes, diabetes diet, atkins diet)

BOOK #1: Diabetes: Learn How to Fight Diabetes and Overcome the 12 Most Common Diabetes Mistakes Are you diabetic? Do you know someone who is suffering from Diabetes? Or you have someone very close who had died from this gruesome ailment? Do you like many other people have the belief that diabetes is the fastest killer one can ever imagine? You have just made the right choice in acquiring this book. And I commend you for your decision. Amongst other very important information locked up within the pages of this book, you will be able to learn one very important truth Diabetes is not a killer disease and can be well managed.

BOOK #2: Herbal Antibiotics: How to Use the 15 Amazing Natural Herbal Antibiotics and Anti-virals That Are Hiding in Your Kitchen It is not only the medical professionals that are debating the uses of antibiotics. There is still a large grey area surrounding how viral and bacterial infections can be diagnosed simply from the symptoms. The subject of over prescribing antibiotics is a debate that remains buoyant amongst medical and health professionals and one that is also kept at the forefront with more superbugs being detected that bear resistance to all types of antibiotics. There is the added problem of those patients that have built up a resistance to antibiotics either from overuse or some form of allergy.

BOOK #3: Reflexology: 23 Outstanding Tips on How to Learn Reflexology Massage Techniques The tips in this book address everything you need to know about reflexology. It takes you from the basics of reflexology to detailed instruction on how to use reflexology on yourself or a patient. A few of the things you'll discover include: Techniques that professionals use to release stress from the body How to tell if you can benefit from reflexology work Areas of the hands, feet, and ears that promote blood flow and healing

BOOK

#4: Quick Easy Recipes: 20 Delicious Quick and Easy Recipes That You can Make with Less than 5 Ingredients Would you believe that you could create healthy, nutritious meals with 5 ingredients or less?

Better still that the majority of these meals can be created in half an hour? If you are like me then you are probably skeptical and maybe cannot really believe that it is possible to create a meal with just 5 ingredients. If this is your view then you can prepare to be pleasantly surprised.

BOOK #5: Essential Oils: 28 Amazing Essential Oil Recipes To Help You Reduce Stress. Learn How to Make Essential Oils Easily. Modern life can be very stressful: we spend most of our time between travelling and working, between shopping and looking after our family. So, when do we have time to treat ourselves and relax?

If you have ever taken a walk to the many beauty and healthcare shops, you will have found that you can either buy cheap products whose ingredients require a degree in chemistry to make any sense of, or extremely expensive ones that are natural but very often well above your budget.

BOOK #6: Atkins Diet: 25 Amazing Atkins Diet Recipes to Easily Start the Atkins Diet and Learn the Atkins Diet Tips for Beginners How important is what we consume as food to our body?

Indeed I would say, very important. In fact, what we consume determines how healthy and alive we are. What we eat and drink are a reflection of who we are, what we are and a whole lot of other things. This is how important the issue of our kinds of foods and drinks are. This is why we need to place close attention to this issue.
