

Jaguar Nights 2009 Mayan-Aztec Calendar

Gain a new understanding of time and yourself. Days to be calm, or wary, or to celebrate, to think, to plan, to know ... its all inside! Choose to follow one or all of the cycles the sacred 260-day counts of the Tzolkin and Tonalpohualli, the secular 365-day calendars, the Mayan Long Count, and the Moon cycles. Discover the energy of portal, burner and assimilation days! Also includes affirmations, a countdown to the 2012 event, and holidays all in a compact, portable format which can be used as a daily affirmations guide and astrological diary. More than just a calendar, this is an astrological guide to the Mayan and Aztec calendars, written by a Shaman of Mayanism. Jaguar Nights 2009 includes in-depth information on the various calendar systems, and uses the GMT correlation, which places the first day of Baktun 13 on 12-21-2012. This is the same correlation still used by Quiche daykeepers in Guatemala.
