

Narrative of the Life of Frederick Douglass (Annotated)

This Edition Features? A Detailed Biography of Frederick Douglass? A Fully Interactive Table of Contents? Superior Kindle Formatting Frederick Douglass tells his own story in this remarkable narrative remarkable not only for the life it chronicles but also for its eloquence. Born into a system which forbade learning even the basics of reading and writing, the author discovers ingenious methods for teaching himself. Sent from master to master, place to place, he experiences the life of the house slave and the field slave in virtually all their degrees. He is fed reasonably well and starved, treated reasonably well and flogged. From the tobacco farms and comfortable city dwellings near the Mason-Dixon Line to the cotton plantation fields further south, he witnesses and experiences first-hand the evils of the Souths degrading peculiar institution. Finally fleeing to the North after nineteen years of forced labor, he is discovered to be a remarkably gifted voice for the enslaved masses in the South and for the struggling, often persecuted and hunted, free black men and women in the northern states. Seahorse Classics brings great works of literature to life in digital format, upholding the highest standards in e-book production and celebrating reading in all its forms.
