

People Resourcing

People Resourcing is the leading textbook for the module CIPD PDS module and is closely aligned to CIPD standards. It provides a comprehensive overview of fundamental management issues such as attracting the best candidates, reducing staff turnover and improving employee performance, through both practical guidance and theoretical underpinning. Expanding on the success of the previous editions, this fully revised fourth edition is even more student friendly. In addition to learning objectives, exercises, activities, summaries and further reading it now incorporates a brand new text design, more in depth case studies, increased reference to academic journal articles and a brand new chapter on Resourcing Strategy. Highly critical in its approach, People Resourcing is ideal for students on the CIPD People Resourcing module on the PDS and those studying People Resourcing modules on non-CIPD programmes, including Masters level, as well as practitioners.
