

# Rex Is Not Your TV Show: An unauthorized, unofficial look at Rex Is Not Your Lawyer

An unauthorized and unofficial look at the development of the NBC-TV pilot *Rex Is Not Your Lawyer* (2010). From its acceptance by NBC in Spring 2007 its unremarked-upon rejection in Spring 2010, *Rex Is Not Your Lawyer* was a quirky concept about an anxiety-ridden lawyer that had to coach his clients to defend themselves in court. Fronted by a top-notch cast including David Tennant (*Doctor Who*), Jeffrey Tambor (*Arrested Development*), Jane Curtin (*30 Rock*) and Jerry O'Connell (*Sliders*), media sources and fans alike had high hopes for the shows acceptance onto the NBC Fall schedule. However, in a season already packed with legal dramas, not all of them could earn the golden ticket of full-season production... and *Rex* was one that simply didnt make the cut.
