

The Ultimate Book of Organizational Behaviour (The Ultimate Series)

The successful Ultimate formula now provides easy-to-use resources for business students. Ultimate books have become worldwide best-sellers because they give readers fast access to the business ideas that matter. Thousands of new books, reports, theories and consultancy products pour into the business market every year and Ultimate books have proved indispensable for hassled executives who need to know which ones actually work. Now the time- (and money-) saving Ultimate formula is available as a solution for business students at all levels. Keeping on top of reading is increasingly difficult for students and Ultimate Student Guides give concise but comprehensive overviews of key business subjects. Each title contains a unique summary of the business books, articles and thinkers that have had the most significant impact on the subject together with an assessment of their impact and lasting value for today's business. The books also contain comprehensive glossaries and resource sections to guide students to useful further material.
