

Out-of-Body Workbook: The Ultimate 5-Step Guide to the Astral Projection Experience

EXPLORE THE OTHER SIDE OF REALITY... Do You Want a DIRECT EXPERIENCE of Reality Beyond the Physical? Many call out-of-body (OBE) experiences astral projections because of the unusual perceptive nature of these experiences. But theres more than metaphysics involved in OBE. Serious scientists are interested in this phenomena, and it has been studied by both the USA and Russia. The book provides proven step-by-step methods to help you safely expand YOUR conscious awareness beyond the limits of your physical self. One thing is certain -- exploring out-of-body reality opens you to an exciting new way tap into your higher levels of consciousness and true inner potential. *****WHAT READERS ARE SAYING...A great guide to direct experience of higher levels of consciousness.Best book Ive read on OBEs. Has exercises that read like a pilots instruction manual.I am not a casual book reviewer. Actually, I am often VERY critical. So when I tell you this book is exceptional, you can understand this is an independent analysis by a professional reviewer (I post exactly the truth about each book I review).I admit I was skeptical. I tried the authors familiar location method and to my total shock had two OBEs on the first night. My conclusion: this book is the best ever way to start on this adventure!
