

# The Years Work in English Studies: 1990 v. 71

The Years Work in English Studies is an annual critical bibliography of some 1000 pages which aims to cover for a given year all work of quality in English Studies. It contains: critical notices of some 1500 books; coverage of English language theory, American literature, new literatures in English and English literature; coverage of specialist periodicals (including volume numbers for journals and pagination of all articles cited); indexing - by critic, author and subject; listings, by period, of the best books and articles reviewed; and bibliographical endnotes for each chapter. Volume 71 evaluates work published in 1990. It is aimed at undergraduates, graduates, researchers and teachers of English language and literature.
