

The Resistible Rise of Arturo Ui: A Gangster Spectacle

Bertolt Brecht Translated by George Tabori Drama Characters: 30 male, 5 female Brechts shudderingly accurate parallel between Hitler and his henchmen on the one hand and the old crime lords of Chicago on the other is a vigorous eye opener that was produced on Broadway with Christopher Plummer. The Cauliflower Trust in Chicago is in need of help and turns to a racketeer by the name of Arturo Ui to begin a protection campaign. His henchmen look astonishingly like Goebbels and Goring. Their activities include accidental fires and a St. Valentines Day massacre. A wild and grotesque sort of clown show, with everything seen through a distorting mirror...An ideal vehicle for a director who knows how to shoot the work in his staging. -The New York Post
