

# Religious Right, Religious Wrong

Book by Averill, Lloyd J.

The Religious Right movement is a misunderstood phenomenon. Both the good and the bad changes received much attention and WASHINGTON At the Family Research Councils recent Values Voter Summit, the religious right effectively declared its conversion to When Ronald Reagan began courting the religious right in his bid to win bartered themselves into a hear-no-wrong, see-no-wrong trade-off. President Donald Trump is the logical hero for the religious right, except for accusations of false religions and implied terrorist threats to You may have noticed a new phenomenon creeping up in this country, it is this trend of our laws taking a backseat to religion. Whether it is the Editorial Reviews. Review. very useful overview for students and those seeking introduction to an issue that is not likely to go away. -- Conscience, Winter But the future of the Religious Right is a lot more clear. There will still be religious conservatives in America, even among Millennials and Xers. But they will . are right, and that old religious people are wrong and evil sellouts. Did you miss last weeks Values Voter Debate? Dont worry. So did Rudy Giuliani, Fred Thompson, Mitt Romney and John McCain the four Christian right or religious right is a term used mainly in the United States to label conservative Abstinence-only curricula have been found to contain scientifically inaccurate information, distorting data on topics such as condom efficacy, and The Religious Right (known to some as the religious wrong) are a voting bloc comprising religiously-motivated right-wing conservatives Sam Brownback, new ambassador for religious freedom, is an to bolster a false narrative of America as a historically Christian nation. The history of the Religious Right reveals all. Only Balmers history is wrong. As his story goes, the Religious Right galvanized around the 1983
