

Sexuality and Democracy: Identities and Strategies in Lesbian and Gay Politics

Drawing on the example set by feminists, this textbook explores the problems of pursuing lesbian and gay political agendas within the present structure of democracy. Using an interdisciplinary approach, the author connects the analysis of lesbian and gay identities in sociology and cultural studies with the analysis of democracy in political theory. This paves the way for a consideration of the implications of sociological theories of sexuality for democratic theory and practice. Engaging with queer theory, the dominant perspective in the area of sexual identity and politics, the author offers a critique of many of the theorists - including Judith Butler and Diana Fuss - and directions within this field. This approach offers a broad focus on the issues of citizenship and legal, social and political policies with which queer theorists are involved. Up to date with current debates, this book reflects the need to return from an inaccessible level of abstract theory. It grounds ideas about sexuali

Drawing on the example set by feminists, this textbook explores the problems of pursuing lesbian and gay political agendas within the present structure ofThe conference sought to analyse the challenges faced by the lesbian, gay, bisexual, It provided a platform for the discussion of strategies aimed at creating an in the Democratic Republic of Congo, Burundi and Rwanda attempts to criminalise . which will protect the rights to sexual orientation and gender identity.
