

This is the amazing story of one mans battle with progressive liver disease, and the determination to survive despite insurmountable odds. Diagnosed as having less than five years to live, Antony Anjoubault continued to run road races and marathons. Tonys act of courage in doing whatever it takes to overcome the disease, and the tender love story of his wife who stood by him, is an inspiration to anyone facing the challenge of debilitating chronic illness and especially those individuals and families waiting for an organ transplant.
