

Radical Orthodoxy? - A Catholic Enquiry (Heythrop Studies in Contemporary Philosophy, Religion, and Theology)

Radical Orthodoxy? A Catholic Enquiry is essential reading for anyone seeking to understand Radical Orthodoxy, or be in critical dialogue with it. John Milbank, Catherine Pickstock and Graham Ward, the three principal exponents of Radical Orthodoxy, each enter into dialogue with theologians from the Catholic tradition - a tradition with whose sources and current researches Radical Orthodoxy claims to have much in common. The Introduction explores the issues and tensions involved in Radical Orthodoxy's dialogue with Catholic theology, and David Burrell offers an important evaluation of Radical Orthodoxy in the context of North America. In the first dialogue John Milbank presents one of the clearest expositions of the Radical Orthodoxy programme to date; Fergus Kerr's reply discusses this programme in the wider context of post-war Catholic debate. Catherine Pickstock explores the work of Aquinas to show how Radical Orthodoxy is appropriating the work of past theological giants, and in reply Laurence Hemming asks what questions remain in that process. Graham Ward, Oliver Davies and Lucy Gardner debate the challenges facing contemporary theology, both from the past and the postmodern present. James Hanvey's provocative conclusion opens the way to future debate.

Challenging, yet accessibly written, this book represents an important milestone in the critical reception of Radical Orthodoxy. Shedding new light on contemporary issues and current theological enquiry, this book offers important insights to students of theology and those training for ministry, clergy and informed lay people, and everyone who wants to make sense of one of the most demanding yet important debates currently taking place.
