#1 Amazon Bestseller: The Ultimate Guide To Creating Amazing Copy That Can Be Used For Any & Every Business What is so important about copy? Isn't it just a verbiage created to explain a product? Sure, copy can be used simply as a filler, something to take up the space, a general unenthusiastic explanation of who you are or what you have to offer. Used correctly, however, effective copy can make all the difference in a product or business and can turn a browser into a buyer with just a few words. What makes copy, copy and why is it so important? Simply put, copy is text that serves a purpose other than informative. Its objective is to sell a product, business or idea to the reader and it can exist in almost any type of media. Copy is all around us. Its on billboards, its in commercials, the back of books and at this very moment, it is right in front of your eyes. The role copy plays in the marketing and advertising of your product or business should not be overlooked. Its purpose is to draw in attention and capture it long enough to make an impact on the reader. If positioned correctly (which Ill show you in the book) that impact will directly lead to a positive impact on your business, be that measured in sales, subscribers or visits. It is important to recognize the uniqueness of copywriting and understand that it is a SKILL. A skill that must be learnt, practiced and perfected if you wish to make the most of often limited and restricted space. My goal is simple.
