

Walk Softly and Carry a Big Book: (Official and Unofficial Sloganeering from the 12 Step Programs)

2nd Edition! Updated, additional slogans, and now with illustrations! A great presentation of this classic slogans book. Our inherited wisdom in the 12 Step programs has been pithily summarized in adages and aphorisms, wise sayings and proverbs, one-liners and slogans, notes, quotes, and anecdotes. Here is one of the most complete collections of what we tell each other around the tables, in our literature, when we give a pitch, and when the newcomer walks through the doors. Some of it is wise, some simple and some seemingly dim. But remember that our ability to understand and assimilate insight changes both with knowledge, time in recovery, and service to others. What seemed very wise at 30 days may seem silly at three years. Absolutely full of recovery slogans from the classics like First Things First to the bizarre like Sleazy Does It. These are all the slogans you ever wanted to read from all the 12 Step Programs. If you have a talk, need to make a poster, want to get a point across to your sponsee--then this is the book for you. Or better yet, put in the john for a reader when folks are doing their business...this book is fun and full of reminders, one liners and great zingers about recovery! So sit back, thumb through the collection, chuckle and reminisce for this is our collection of wisdom in shorthand, 12 Step sloganeering.
