

Reading & Writing Chinese: Simplified Character Edition

This is a revised third edition of Tuttle's Reading & Writing Chinese. This new edition focuses on the internationally recognized test of proficiency in Chinese, the Hanyu Shuiping Kaoshi (HSK). All 800 characters prescribed for Level A are covered here, and the 1400+ Levels B and C characters are covered concisely. All of the prescribed vocabulary for Levels A-C of the Hanyu Shuiping Kaoshi is included among the example compounds. Knowledge of the 2,200+ characters and 5,253+ vocabulary items covered will equip students to take the test at either the Basic or the Elementary-Intermediate standard. Success in the top band of the Basic standard is sufficient to enter college in China.
