

Rethinking Popular Culture and Media

Rethinking Popular Culture and Media is a provocative collection of articles drawn from Rethinking Schools magazine. It begins with the idea that the popular in classrooms and in the everyday lives of teachers and students is fundamentally political. This anthology includes outstanding articles by elementary and secondary public school teachers, scholars, and activists who examine how and what popular toys, books, films, music and other media teach. These thoughtful essays offer strong critiques and practical teaching strategies for educators at every level.

Rethinking Popular Culture and Media seeks to answer these questions. The articles collected here, drawn from the Rethinking Schools archive, offer insightful In Rethinking Popular Culture and Media the editors have collected chapters from educators that demonstrate a commendable level of Rethinking Popular Culture and Media begins from the premise that the popular is political.
