

# Golden Wings, Holistic Approach To Managing Asthma

Golden Wings.... offers the lay person or health professional, an integrated holistic based approach to the management of asthma attacks. Golden Wings.... provides the reader with practical insights and holistic techniques in preventing and decreasing the frequency and severity of asthma attacks. Yocheved Bat-Imedt, R.N., B.S.N., H.H.&H.A.P., L.M.T. Registered Nurse, Holistic Health/Healing Arts Practitioner and Holistic Asthma Consultant with over 30 years experience in Critical Care, Emergency Room and School Nursing as well as over 30 years experience in the field of Holistic Health and Healing. Over the past 25 years, Nurse Bat-Imedt has developed BI-AMP, a 3-system protocol for management of Asthma Attacks. This protocol has been re-named F.A.F.A.A. (First Aid For Asthma Attacks). Nurse Yocheved Bat-Imedt presents an important work that not only will help to increase the awareness of asthma but provides, in parallel, radically different approaches to prevention and management without abandoning proven traditional techniques. This book provides very informative reading for those uninitiated in the growing movements of alternative medicine. Joseph A. Tyndall, M.D. Emergency Medicine I highly recommend Golden Wings, Holistic Approach To Managing Asthma....As a registered nurse with years of practical experience, Yocheved Bat-Imedt has written a book that goes beyond a simple medical or holistic approach for managing asthma. She has given the reader a better understanding of how to create true health through self-awareness. -- Christopher Hobbs, L.Ac., A.H.G. Author of Health, Healing with Herbs and Foods. Excellent! Golden Wings.... is an excellent prescription for the many suffers of asthma. Bat-Imedt takes the reader through the holistic steps to help eliminate this increasingly common disease....This book

is certainly on target. -- Beatryce Nivens  
Author, Success Strategies for  
African-Americans.
