

## Doctor Who: The Shooting Scripts (Doctor Who (BBC Hardcover))

This book collects together the entire shooting scripts for the first series. Seven of the scripts are by Russell T. Davies, with the remainder by Steven Moffat, Robert Shearman, Paul Cornell and The League of Gentlemen's Mark Gatiss. Each story contains the essential ingredients of time travel, adventure, and the mixing of the ordinary with the fantastical that have always characterized the series, while at the same time being thoroughly in tune with contemporary culture and society. This is a Doctor Who for an age defined by irony, technology, celebrity, and the shadow cast by 9/11. It is also a more cinematic series, with fast cutting and special effects that will satisfy viewers brought up on contemporary film and television sci-fi.
