

Say Goodbye To Illness

Acne? Addictions? Computer radiation? Latex? Anxiety? arthritis? Asthma? ADD? Backache? Bedwetting? Carpal tunnel? Depression? Colitis? Dizziness? Eczema? Hay-fever? Headaches? Hyperactivity? Indigestion? Insomnia? Fatigue? Migraines? Shoulder pain? Bronchitis? Sinusitis? Vertigo? Whatever you suffer from...theres an allergy behind it. For millions of people all over the world, these health problems may, in fact, be caused by food and environmental allergies. Allergies they never knew they had. In the new and revised, SAY GOODBYE TO ILLNESS, Dr. Devi S. Nambudripad, developer of Nambudripads Allergy Elimination Techniques (NAET) and the world renowned holistic allergy specialist based in Buena Park, California exposes the truth behind so many health problems plaguing people today. In her book , Dr. Devi gives a new definition for allergies and a deeper understanding of how our bodies relate to or retreat from the millions of natural and artificial substances around us. And she discloses her fascinating NAET technique, which is curing thousands of people every year of their multiple health problems. How? By tracking down their allergies. Then, through a blend of western and eastern techniques, Dr. Devi treats and beats the allergy. Her book is thoroughly researched and supported by hundreds of client success stories, people just like you who have suffered and now live allergy-free. This book will revolutionize the practice of medicine!
