

As Normal as Possible: Negotiating Sexuality and Gender in Mainland China and Hong Kong (Queer Asia)

In what ways does normativity produce possibilities and limitations for contemporary Chinese sexualities? What are the strategies of queer representation circulating in non-mainstream cultures in Hong Kong and China? The authors of the nine original and innovative essays presented here take a fresh look on Chinese sexualities complexities.

Sexuality and Gender in Mainland China and Hong Kong the study of Chinese sexuality and queer modernity in Asia as emergent fields Sexuality and Gender in Mainland China and Hong Kong, edited by Yau As Normal as Possible: Negotiating Sexuality and Gender in Mainland China and . students in gender, queer and film studies, sociology and public health. .
