

Conquering Arthritis: What Doctors Dont Tell You Because They Dont Know Second Edition

This book is newly revised and updated with important updates that make healing from arthritis even easier and quicker. It has been used with great success by many people with rheumatoid arthritis, osteoarthritis, and other forms of arthritis, to heal themselves. It provides practical, detailed information that is critical for the successful healing of arthritis, but that has never before been collected in one place. The information is organized into a well-researched, easy-to-follow plan for getting well again and includes case histories of people with dramatic and lasting recoveries. It focuses not just on coping with the symptoms of arthritis, but on correcting its underlying causes using proven alternative medicine and pain management techniques. Anyone who is serious about healing from arthritis needs this book.
