

## Pueblo (Spotlight on Native Americans)

Native American tribes have occupied the Southwestern United States long before record keeping began. Many of them are Pueblo, including the Hopi, Zuni, and Taos people. This title explores the history of the Pueblo people, from their contact with the Spanish in the 17th century through modern times. Readers learn about Pueblan customs and traditional ways of life. Social studies-focused text explains the effect of Europeans on Pueblan ways of life, and traces the peoples hardships and successes through the present day. Photographs, artwork, and primary sources provide a comprehensive learning experience for readers.
