

Brookes Gluten Free Surprise: Helping Others Understand Gluten Free

This is a special personalized edition of Haileys Gluten Free Surprise. Haileys Gluten Free Surprise (and Adams Gluten Free Surprise) looks like a childrens book, but it isnt just for kids. This book is helping teachers, grandparents, and others understand gluten free and how strict this diet is. Haileys Gluten Free Surprise shares Haileys experiences through the first six months of a new school year just after being diagnosed with celiac. She faces each special treat day with a positive attitude, knowing she can choose from her own box of gluten free treats. Watch as her teacher, Mrs. Brown, learns how to accommodate her needs by reading labels and avoiding cross contamination. In the end, Haileys class surprises her with a party that is completely gluten free. Haileys Gluten Free Surprise is about the acceptance that is required by the child with a special diet and the understanding required by those who are important parts of his or her life.
