

Straightforward Upper Intermediate Level: Workbook Without Key + CD

The Workbook provides extra language and vocabulary practice that supports the units of the Students Book making it ideal for homework. This version comes without the key. **READING/LISTENING** - All Workbook and some Students Book texts are read aloud on the accompanying CD - this will provide students with further listening and pronunciation practice. To provide them with integrated listening and writing practice there is also a series of dictations for them to check their understanding. As they are usually working alone on the Workbook, students will be able to work at their own pace and practise key language further. **TRANSLATION** - Students at this lower level are given the opportunity to link the language learnt with their own language. **WRITING** - Special feature at lower levels is that all Writing work is contained here, in the back of the Workbook, covering a wide variety of genres pertinent to students every day needs. **READING** - Each Workbook has a complete Macmillan Reader for the relevant level at the back of the book allowing students to naturally expand their language outside of the everyday classes.
