

England under the Stuarts (A History of England)

An undisputed classic, *England Under the Stuarts* is an account of England in the years between 1603 and 1714, charting England's progress from a great nation to a great empire. G. M. Trevelyan's masterful narrative explores the major events of this period, which witnessed the upheavals of Civil War, the Restoration and the Glorious Revolution. While never neglecting to examine the conditions of English life, this celebrated historian highlights the liberty and toleration that emerged during these years. Almost a century after its first publication, and now with a new introduction by John Morrill, Trevelyan's thorough survey of the Stuart age remains certain to inform and delight anybody with an interest in this period of English history.

In making that transformation, England became the wealthiest and most powerful nation 48-lecture course on one of the most intriguing times in modern history. The heaviest concentrations of population were in the southeast and along the English coast. English society was predominantly rural, with as much as 85 percent of its population living in the countryside. Buy *England Under the Stuarts: Reissued Edition 2* by G.M.
