

Summer Nights (Mills & Boon M&B) (A Fools Gold Novel, Book 8)

New York Times and USA Today bestselling author Susan Mallery returns to Fools Gold with a new story that proves that wild hearts cannot be tamed and shouldn't need to! Shane Stryker is done with passion. He's back in Fools Gold to settle down with the quiet ranching life he's always wanted. The rugged rancher has been burned too many times by the kind of women who dance on bars. This time, he's searching for a sensible candidate to become Mrs. Stryker. The town librarian should fit the bill, but Shane has only seen her on the one night that Annabelle Weiss let her fiery hair down and have fun. Shane may be certain she's too dangerous to be in the running for his life partner, but Annabelle knows that theirs could be a love that ends happily-ever-after, with a wild ride into the sunset.
