

Democrats, Republicans, and the Politics of Womens Place

Democrats, Republicans, and the Politics of Womens Place is impressive in its scope, powerful in its argument, and compelling in its analysis... . Using data sources ranging from public opinion surveys to elite interviews to party platforms to presidential speeches, Sanbonmatsu provides a provocative account of how and why the parties electoral strategies have varied across gender issues. Scholars will be reading and citing this book for years to come.-Susan J. Carroll, Center for American Women and Politics, Rutgers University

Kira Sanbonmatsu's study contributes to our knowledge of the complexity of the response of the Democratic and Republican parties to the gender issues that emerged on the political scene as a result of the womens movement. She expertly shows how the perspectives of both party activists and the general public need to be taken into account across a range of gender issues for an understanding of the impact of women as a political force in contemporary politics.-Barbara Burrell, Northern Illinois University and author of A Womans Place

Is in the House: Campaigning for Congress in the Feminist Era

Democrats, Republicans, and the Politics of Womens Place is an unusual double-treat-an original study of party politics and a review of how issues created by womens changing roles in society have never quite made it to the top of the political agenda. Readers who care about the obstacles faced by social issues in the political marketplace should not miss this book. They will be richly rewarded.-Doris A. Graber, University of Illinois at Chicago, Political Science Quarterly

[Sanbonmatsu] has done important work in raising the question of the separation between abortion and other gender issues, and has moved us some distance in the direction of understanding this phenomenon... . [T]his book makes an important contribution to our

understanding of the place of gender in American electoral and party politics in the last three decades.-Gretchen Ritter, University of Texas, Austin, Perspectives on Politics

Women in Politics: Democrats Motivated to Run, GOP Arent Republican women look very much the same now as they did pre-Trump, says . I think South Dakotans expect another woman in that position, said Krebs, 44. There are currently 354 women in the mix: 291 Democrats and 63 Republicans If the party rejects identity politics writ large, said Dittmar, its hard If you are a Republican, whether male or female, in a district some place Democrats, Republicans, and the Politics of Womens Place is impressive in its scope, powerful in its argument, and compelling in its analysis. . . .
