

Weight Loss Box Set: 70+ Vegan and Ketogenic Diet Recipes to Reduce Your Weight, 28 Best Foods to Eat to Supercharge Gut Bacteria (good gut diet, running For Beginners, vegan recipes)

BOOK #1: Good Gut: 28 Best Foods to Eat to Supercharge Gut Bacteria and to Take Control of Your Weight The idea of taking responsibility for ones health is a very important sense of orientation which can be considered a very noble task.

Unfortunately, the world is filled with so much misunderstanding and misinformation regarding what is considered as healthy eating and what is not. More unfortunately, we humans have been trained and used to not being able to listen and identify our own body signs.

BOOK #2: Running For Beginners: 23 Outstanding Lessons on How to Start Running and Reduce Your Weight Do you ever see your friends who enjoy 5Ks, 10Ks and other road races and wish you could join you? Have you wanted to learn how to run but never took it up because every time you tried you ended up feeling discomfort, aches and pains that made you stop? You dont have to stand on the sidelines anymore. No matter your current health and fitness level or your past experiences with running, whether short, middle, long or ultra distance running, the lessons shared in this brief, easy to read and enjoyable guidebook will get you over the hump and out on the road. The joy of running is found in the pleasure of those solitary moments on the course.

BOOK #3: Vegan Recipes: 25 Simple and Easy to Make Vegan Recipes for Beginners Choosing the vegan life with purposeful awareness can be both gratifying and challenging at once. Choosing a vegan lifestyle requires you to make a commitment to live a healthier life while having a positive effect on the world around you. This is not only a simple, healthy diet change; this is an oath you take to earnestly scrutinize every aspect of your life. It is not only animal-free food that is part of our search, but also our choices in cosmetic products, clothing etc.
