Martin Luther's son has a problem. What should young Hans Luther do when he grows up? How can he ever do anything important when he is constantly overshadowed by his famous father? Gradually he discovers who he is and how God wants him to live. Through Hans' eyes, 9-to-14 year olds will learn to know Martin Luther not only as the great Reformer-preacher, but also as a father with a sense of humor and as a friend.
