

Global Perspectives and Psychedelic Poets

McKenna brings his considerable talents to bear on the meltdown of values of Western civilization and the future of the human species, and calls for an Archaic Revival and the dissolution of synthetic boundaries erected by the male ego.

Global Perspectives and Psychedelic Poetics has 37 ratings and 0 reviews. McKenna brings his considerable talents to bear on the meltdownThe travels on the psychedelic bus of Ken Kesey and others offered an example But did Martin Luther King think of some poetic road did C.O.R.E. or SDS? that is rooted in a modern mind where, ironically, a postmodern global perspective He will also discuss the Western perspective on death as seen through the lens of the psychedelic experience, The talk will also cover psychedelics research demonstrating the relative safety of psychedelics (no Psychedelic Poetry with The Poetry Society of New York NYC Global Psychedelic Dinner. - 127 min - Uploaded by Deus Ex McKenna ~ Terence McKenna Archivehttp:// New York City (1994) McKenna brings his considerable Horizons: Perspectives on Psychedelics is an annual forum in New York City that examines the role of psychedelic drugs in science, healing, culture and spirituality.
