For those who fear the impending message of doom and destruction in the Book of Revelation, this book offers a message of divine hope and the eternal promise of God to establish a New Heaven and Earth in the hereafter. The Book of Revelation is by far the most explosive prophecy of our day, and many people are now convinced that we are living in the time period that John the mystic wrote about nearly 2000 years ago. With the advent of the 21st Century, hundreds of religious cults and biblical scholars, and the major religions of Islam, Christianity and Judaism are all predicting some type of catastrophic global upheaval. However, as mankind has been reminded for centuries, no one knows the hour or the day (No Man Knoweth the Time) when all of this will suddenly happen. Are we living in the Last Day! This is a question that many biblical scholars, ministers and laypersons are seeking to uncover. The Bible speaks of wars and rumors of wars, brother killing brother, devastating natural disasters, massive corruption, a global world order and much more. And how can we explain the bizarre and perplexing behavior of many of our young people in today's world: children killing children with automatic weapons! This demonized behavior driven by our drug culture, our materialistic mentality and worldview, and the glamorization of death in a fast-paced world, permeates the entire fabric of American and world societies. This is a critical time in world history, and Western Civilization clearly appears to be at the crossroads. In *Unveiling Revelation*, Rev. James L. Davis provides a clear path for understanding the difficult symbolisms of biblical language. This deeply inspired author clarifies the language of the Bible, accurately interprets its hidden meaning, and provides a systematic approach towards understanding the period of time we are living in. He provides an urgent reality check and encourages us to

carefully consider the remaining years of the 1990s and beyond. Clarification of the poetic language of the Bible opens the door to a broader understanding of a very difficult and earth shattering prophecy.

About the Author Rev. James L. Davis is an elder minister of the faith and a man who has spent well over two decades in deep meditation on various issues of the Bible. He was inspired to provide greater clarity to the world with respect to the powerful message of the Book of Revelation.
