 What does it mean to be a man and a disciple? For too long, the Church's outreach and witness to men has suffered from a lack of coherence, vision and zeal--a sad situation that has left too many men at the margins of the Church's missionary endeavors. *Man Up* is evidence that a hope-filled change is in the making. Jared Zimmerer, with his *Man Up* team, is boldly taking the lead into one of the great peripheries of the New Evangelization. Very Reverend Robert Barron, Founder, Word on Fire Catholic Ministries; Rector, Mundelein Seminary  
 Let us hope and pray that this book will play its part in inspiring a twenty first century army of Catholic gentleman ... renaissance noble men who will lead a new resurrection. - From the Foreword by Fr. Dwight Longenecker, convert from Anglicanism, author of over 15 books and booklets  
 Behind many of today's crises lies a crisis of manhood. Our culture desperately needs men marked by virtue and strength. If you're a man who is tired of mediocrity, who craves greatness and wants to live a heroic and meaningful life, this book offers the best blueprint I know. Buy it for yourself, and for your sons, brothers, fathers, and friends. Then read it and emerge a more noble and masculine man. - Brandon Vogt, Content Director of Word on Fire Catholic Ministries; author of *The Church and the New Media*  
 This book encourages men to become who they are - who they were created to be. Jared Zimmerer, and his extraordinary contributors, offer sage advice to a culture of men gone soft. I believe that it will contribute a significant amount to the renewal of authentic masculinity in the Church. - Matt Fradd, Catholic apologist; author of *Delivered: True Stories of Men and Woman Who Turned from Porn to Purity*
