

The Heaven Promise: Engaging the Bible's Truth About Life to Come

For far too long, we've talked about heaven as if it were a dream or someplace that only exists in fairytales. We want to believe it's real, but with such an expanse of contradictory information, it's difficult to know what to believe. To add even more confusion, we are left to sift through the tales of individuals who have crossed over and returned. With so many competing narratives and accounts based on what many think are beyond-death experiences, wouldn't it be nice to have a straight forward examination of what the Bible has to say about heaven? Best-selling author and New Testament scholar Scot McKnight thought so too, which is why he wrote *The Heaven Promise*. McKnight, who has penned more than 50 books, including *The Jesus Creed*, has had a fascination with heaven since he was a child. As a professor of New Testament at Northern Seminary, McKnight is no stranger to academic engagement and scholarly discourse. However; as an ordained deacon, McKnight is well accustomed with the concerns of the everyday thinker. *The Heaven Promise* represents the perfect blend of thoughtful research coupled with an easily digestible presentation. My hope, McKnight shares, is that people will be hopeful about heaven.

The Heaven Promise offers an infusion of hope alongside a healthy anticipation of eternity. After all, heaven isn't just a dream; it's a promise. Heaven. Eternity. The Afterlife. You mention any of these concepts, and people of all ages and from all walks of life are certain to have opinions. Maybe that's why there are so many books and movies that feature heaven-and-back experiences. But how can we know if those accounts are accurate? How can we know for sure what heaven will be like? Well, according to New Testament scholar and popular author Scot McKnight, all we need to do is to turn to Scripture to answer our questions.

Separating fact from fiction, McKnight helps the reader examine the witness of Gods Word in order to discover what awaits us on the other side of the grave. Using the Bible, McKnight answers the most-frequently-asked questions regarding heaven, including: 1. What about Near-Death Experiences? 2. What about Rewards in Heaven? 3. Who Will Be Allowed in Heaven? 4. Is God Fair? 5. Will There Be Families in Heaven? 6. What about Children Who Die? 7. What about Cremation? 8. What about Purgatory? 9. Will There be Pets in Heaven? 10. Why Believe in Heaven? Heaven isnt the construction of a fairytale or some mythical narrative. Its very real; its very good; and its very much the fulfillment of Gods promise to us.
