

# The Prize

In the resplendence of William the Conquerors London court, the lovely Saxon captive, Nicholaa was forced to choose a husband from the assembled Norman nobles. She chose Royce, a baron warrior whose fierce demeanor could not conceal his chivalrous and tender heart. Resourceful, rebellious and utterly naive, Nicholaa vowed to bend Royce to her will, despite the whirlwind of feelings he aroused in her. Ferocious in battle, seasoned in passion, Royce was surprised by the depth of his emotion whenever he caressed his charming bride. In a climate of utmost treachery, where Saxons still intrigued against their Norman invaders, Royce and Nicholaa revelled in their precious new love...a fervent bond soon to be disrupted by the call of blood, kin and country!

The Prize by Daniel Yergin - Deemed the best history of oil ever written by Business Week and with more than 300,000 copies in print, Daniel Yergin's Pulitzer Prize-winning book, *The Prize*, recounts the panoramic history of oil -- and the struggle for wealth and power that has always surrounded oil.
