

The Quilters Son: Book Three: Nathans Apprentice

Nathan had steered his life in one direction since his youth: toward a future with Anna as his wife. But when his desires for an alternate future threaten that, he must choose the right path. Enter Maddie, the pretty cheerleader, who accompanies Nathan on a tour of the university they had both been accepted to, and his future path veers off into a direction that spins out of control. Can Nathan get back on the path toward his future with Anna, or is something else in store for him?
