

The Truth About Book Writing, Being an Author and What Is Required to Succeed with a Book of Your Own (AUTHOR SUCCESS SERIES)

Amazon #1 Best-Seller We often hear about how great it is to be a successful author. Though this is very true, it only becomes a reality for those who approach such an involved venture the right way. Sadly, all the rest, which is the majority, fail miserably. When we begin looking into getting a book written, in short order we become confused by the conflicting information that we read, see and hear. And were left not knowing how to even take the first step or what the right way is. Don't Repeat the Mistakes of The Majority, Like So Many Other Failed Authors A statistic of the failure rate of authors is at an astonishing 92%. This stunning statistic should be a serious wakeup call for anyone wanting to delve into the book publishing realm and become a published author. With false and erroneous information running rampant, you need to be enlightened with accurate data. With understanding under your belt, you can become impervious of the information that traps hundreds of thousands of unsuspecting authors every year. Blaze The Path of Success Seldom Traveled The information in this book will be an eye-opener that will allow you to stay clear of almost certain failure with your book. The situation is so widespread that it is vitally important to know this: IF YOU DO WHAT EVERYONE ELSE IS DOING, YOU ARE GOING TO FAIL RIGHT ALONG WITH THEM. This is not bad news. It is the starting point that you MUST take if you want to succeed with having a book that will be impacting enough to enable you to achieve your goals as an author or entrepreneur. Straightforward Truth No punches are pulled in this book. You're going to get the whole truth. You're going to hear the bad along with the good about the ways that you can get your book written. Reading this book will set things straight and keep you from the rushing current that is

comprised of failing authors. If you dont anchor yourself with knowledge, from someone who has written more than 50 books as a ghostwriter, you will most certainly be swept out with the tide. No longer do you need to open yourself up for greater frustration and false, inaccurate or conflicting data from mixed sources. The majority of this data comes from individuals who are not even succeeding in what they tell others to do. Its a recipe for disaster for an aspiring author.
