If its a fun, laugh-out-loud read with a great storyline then this is the book for you.

Based around the hilarious exploits of a lad-about-town, Rhino Hunt is packed with comedy, adventure, laughter and realistic characters that are easy to relate to. Its also an insightful take on modern society and some of its current values. A hard working estate agent by day, hard living practical joker by night. That is until a chance meeting with an intriguing girl turns his life upside-down. The coming months will test his resolve, ingenuity and liver to the utmost. Months which will have dramatic consequences for himself, his family and friends. Throw in a long-standing feud with a work rival, loads of situation comedy, sharp and perceptive storylines, a tortoise and several blow-up dolls then you have a recipe for a comedy adventure that will have you splitting your sides. Full of wit, banter and tons of swearing....Its an extremely funny book that can be read in less than a week, as it will rarely leave your hands Robert Bradley, Huffington Post.
