

The Wizards Dilemma: Young Wizard Series, Book 5

Nitas best friend and wizard partner Kit has gone his own way, leaving Nita to practice magic on her own. In the midst of this sad goodbye, Nitas mother is diagnosed with terminal brain cancer, seemingly untreatable by science or sorcery. Nitas greatest foe, the evil Lone Power, may be her only hope. Her mothers life hanging in the balance, Nita must now trust an arch-nemesis shes spent a lifetime fighting. The Wizards Dilemma is the fifth title in Diane Duanes New York Times best-selling Wizardry series. Christina Moore vividly conveys Nitas teenage angst, fear, and courage in these wonderful tales of magic and mischief that have delighted readers for almost 20 years. Before there was Harry, there was Nita!
