

Extraordinary Women in Politics (Extraordinary People)

Real-life stories of struggle, achievement, victory, and sometimes loss that are an ideal companion for history, social science, language and geography studies. The Extraordinary People series is the perfect starter for students who want to know more about the people who shaped their world, focusing on the unique histories of people from every culture, and every walk of life. This book tells the story of some of the worlds most famous women in politics. The lives of numerous women are explored including historical figures like Cleopatra and Mary Queen of Scots, and modern day political figures like Hilary Rodham Clinton and Kim Campbell.
