

Apocalypse Wow! (Thorndike Core)

General Fiction Large Print Edition* A New York Times Bestselling Author Just as the concept of political correctness was ripe for his acerbic commentary, the approaching millennium and the host of mystical/spiritual ideas that accompany it are ready to be brought back down to earth by James Finn Garner. UFO conspiracies, numerological calculations, harmonic convergence, the Internet, and talk of the Last Days are given their due, at last, by America's master of satire and wit.
