

Darn It!: Traditional Female Skills That Every Man Should Know

Have you ever wished you could sew on a button, get out a stain, or perform other helpful tasks traditionally assigned to women? From baking bread and making jam to ironing a shirt and treating a sting, this book features all the essential skills that a man should learn to make his life that little bit easier. Divided into sections on housekeeping, craft and make do, the kitchen, and first aid, each task is succinctly explained and accompanied by beautifully illustrated instructions. The modern man need never again sheepishly ask for help.
