

## Michelle Obama (Superwomen Role Models)

As the First Lady of the United States, Michelle Obama has worked to better the lives of people in America and in countries around the world. However, her inspirational story began much earlier than that, as she worked hard to graduate from Harvard Law School and become a prominent lawyer. Readers can learn a lot from Obamas life story, which they explore through engaging main text, fact-filled sidebars, and photographs of Obama interacting with others. Direct quotes from Obama are presented in an eye-catching way, and a detailed timeline of her life summarizes her most important milestones for readers.
